

Connect Atlanta 2016

Education Industry Workshop

| Time | Agenda Item | Description |
|-------------------|--|---|
| 10:00am – 10:10am | Welcome and Introductions | |
| 10:15am – 11:00am | The Role of Digital Content in Advancing Learning: Dr. David Kafitz, The Learning Counsel | Join Dr. David Kafitz, an expert and charismatic change-agent helping institutions across the U.S. move forward with a well-reasoned strategy for delivering digital content and curriculum, professional development and IT strategy. Dr. Kafitz is a former Superintendent, Director of Technology Services, Principal, and Teacher in North Carolina Public Schools. |
| 11:00am – 12:00pm | The Future is Now – Workspace ONE™ and the Secure Digital Backpack for Education | With learning no longer limited by classroom instruction hours or the physical confines of a classroom, educational institutions worldwide are seeking digital alternatives. Learn about the VMware Secure Digital Backpack – powered by VMware® Workspace™ ONE™ – that moves with students and teachers throughout their day and enhances the campus computing experience. You will hear about VMware education solutions that streamline IT management, safeguard data and drive down costs by uniquely combining desktop and application virtualization, enterprise mobility management, centralized identity management and policy enforcement. |
| 12:00pm – 1:00pm | Networking Lunch | |
| 1:00pm – 3:00pm | Education “Show and Tell” Case Study Sessions | <ul style="list-style-type: none"> • The Future is Now: The role of BYOD in the student virtual learning environment • Seriously Secure – mini panel discussion on security • Customer Spotlights – The innovative use cases behind Auburn University’s and Arlington Public Schools’ uses of VMware technology |
| 3:00pm – 3:30pm | Focused Case Study: A School’s View – “Leveraging Apple’s Classroom Manager to Transform Class Time” | Apple innovates again! Join us for a discussion about how an early deployment of Apple’s new classroom app has gone and how it is changing the classroom. |
| 3:30pm – 4:00pm | AirWatch Update | Join us for an open dialog and great product information. This session is about helping power your EMM programs – we will answer questions, share ideas and welcome your feedback. |
| 4:00pm – 4:30pm | Open Q&A with VMware Experts | |
